Redefining the Strong-Willed Woman

How to Effectively Use Your Strong Will for God

Many strong-willed women have secretly wondered if there was something wrong with us, if we just weren't trying hard enough to be good Christian women. The single most important thing any of us will ever do is accept Jesus Christ as our personal Savior. But God Himself created and designed us before we were even born. He gave us our personalities, our gifts, our learning styles and our individual passions and desires. You can be strong-willed and still bring honor and glory to God—and we can prove it! Whether you yourself are the strong-willed woman or you just need to understand the strong-willed women in your life, you're going to love this powerful and insightful session!

You Can't Make Me! (But I Can Be Persuaded)

Bringing Out the Best in a Strong-Willed Person of Any Age

Strong will is not a negative trait when you know how to point it in the right direction! Gain insights from the hearts and minds of strong-willed individuals of all ages and learn to bring out the very best in those who love, live or work with you.

Strong-Willed Moms Who Got Kids Just Like Them

Sharing Authority Without Surrendering Control

Who knows a strong-willed child better than a *grown-up* strong-willed child? But what happens when both of you are willing to "fight to the death" to win in a confrontation? You will learn practical and effective strategies for holding on to your parental authority without destroying your high-spirited offspring. Although "what goes around comes around" may be a very familiar phrase to you, you may discover that God gave you that strong-willed child as a compliment, not just payback!

Mentoring the Next Generation of Strong-Willed Women

Learning From Our Experience

It's never been more important to encourage and teach the younger generation of strong-willed women how to use that strong will for God. Learn quick and practical techniques for reaching and mentoring those young strong-willed girls and guiding that determination and conviction in the right direction. Bring your strong-willed girls with you to this session!

I wanted to thank you again for being such an integral part of our Police Commanders Course faculty. The message you deliver provides our leadership folks with much needed tools as they face the challenges of leading a diverse law enforcement force at each of our installations across the Marine Corps. Our success in training and education is due in large part to your participation.

--Stephen K Reese

Head, Training & Education, Marine Corps Law Enforcement

It is so rare to find speakers who can entertain an audience with humor, educate by appealing to their common sense, and when called upon to do so, put both of these abilities together to drive home a point. Thank you again for a fantastic and memorable program.

—Pete Hunt

Automotive Service Association of Washington, Lakewood, WA

Thank you for your dynamic ministry. The Lord used you in a powerful way. What a blessing to see our people respond as they did—Only eternity will reveal the total impact of your ministry
