

Cynthia Ulrich Tobias
Brief Statement of Faith

As the daughter of an evangelical pastor who retired after 50 years of ministry, I came to know Christ early, and my life has been dedicated to His service ever since. I believe in the deity of Christ, and I endeavor in everything I say and do to bring honor and glory to Him. Because I serve in both religious and secular worlds, I strive to lift Christ up whether I am in a comfortable faith-based environment or under circumstances where I must be more subtle. His reign in my life has resulted in some incredible opportunities to recognize the awesome power and creative orchestration of God's will in our world. I count it an immense privilege to serve God as a messenger of hope and encouragement, continually bringing the practical truth of His Word to a world that sorely needs it.
